

Come and get new and different perspectives on the Israeli-Palestinian conflict, on the different stories and traditions of Jerusalem, and the Israeli society as a diverse society in conflict.

Study with leading local and international experts and follow the tracks of conflict and diversity in a series of tours organized especially for the program.

Listen to and learn about the narratives of the conflict and the ongoing dialogue and contestation between groups, identities and cultures.

Learn skills for understanding, managing and resolving complex disputes - all at the:

M.A. Degree program **CONFLICT RESEARCH, MANAGEMENT AND RESOLUTION** A Multidisciplinary Program taught in English

The prestigious Faculty of Social Sciences and the Swiss Center at the Hebrew University of Jerusalem are offering an exclusive graduate degree program (MA) focusing on conflict resolution and **taught in English** in Jerusalem over the course of two semesters.

Taught by both Israeli and international faculty, the program explores the methods, techniques and strategies that can help manage and resolve conflicts from different disciplinary points of view, including international relations, law, political science, social psychology, communication and media studies and sociology.
